To Whom it May Concern:

Rawan Alfaraj was employed as a full-time front-end developer at Crafted from March 2019 - June 2020.

During this time, Rawan worked on a variety of client projects as a frontend developer as well as a digital artist, working with modern technologies like ReactJS, WordPress and Tailwind CSS. She exhibited great team work, collaboration, and communication skills while also being a hard worker and completing tasks assigned in a timely manner.

Along with completing client project tasks efficiently, Rawan was able to bring a creative personal touch to each project she worked on. She was a valuable team member and a pleasure to work with.

Feel free to reach out with any additional questions or information regarding her time here at Crafted.
